

CLASSIFICATIONS and SKILLS – LABORERS' LOCAL 348

This is a heavy industrial construction union.

BOTH sides MUST be completed

- Heavy General Laborer means you are capable & willing to lift 50 pounds or more for 8 to 10 hours per day and perform HEAVY construction type work. If this is checked and you are NOT able to perform the work, it may affect your list status. **(Note: Most job calls for Local 348 are for General Laborers capable of performing HEAVY construction work)**
- The Local Union may require proof of certifications, licenses and/or any skills checked.
- Do **not** list any cards, certifications or licenses that **are not current and valid in Washington State.**
- Do **not** check any skills unless you are proficient and willing to work at that skill.
 - *For example:* Do not check Gradechecker if you have only held the pole, can't read hubs or haven't set up a transit or laser level.

List additional skills and training not included on the other side:

- Are you willing to submit to a criminal background check? Yes No
- Are you willing to submit to a drug and alcohol screening? Yes No
- Are you willing to work at heights that require fall protection? Yes No

EEO Information

Providing this information is optional.

Racial identification is made in compliance with regulations issued by the Equal Employment Opportunity Commission under Title VII of the Civil Rights Act of 1964, as amended. Answers will be kept confidential and used only for such reports as required by law.
